

Award Nomination Form

UNsung
HERO
2012 AWARDS

Recognizing an Active Texas State Employee(s)

We are all state employees, but there are many who are truly public servants. These Unsung Heroes perform the duties of their jobs day in and day out, most of the time without recognition. This award is designed to give all state agencies an opportunity to recognize those employees who represent the ideals of a public servant and define public service.

Public service is not to be confused with heroism or an act of national importance. Many public servants work in the background supporting others in more highly visible activities. As you consider nominations, think of all individuals who consistently contribute to the mission of your agency, from the lowest level employee to the highest.

Form & Documentation Submission Deadline: December 16, 2011

Awards will be presented at the Unsung Hero Awards Luncheon in April 2012 in Austin.

Three Categories (Select One):

- An Individual State Employee: The award will recognize an active employee who has made a lifetime or singular contribution to advancing the mission, goals and services of his/her state employing agency.
- A Group of State Employees: The award will recognize a division, project team, etc., within a state agency, which has made a contribution to advancing the mission, goals and services of their employing agency.
- An Individual or Group of State Employees Contributing To Their Texas Community: The award will recognize an individual or group (single state agency, division, project team, etc.) that has provided outstanding volunteer outreach in their local, county or regional community.
