

TPEA MEMBERSHIP DRIVE INCENTIVE PLAN FOR 2007-08

The 2007-08 Membership Drive began on June 1, 2007 and ends on May 31, 2008. Only members of TPEA may participate. To receive credit for a new member, a recruiter must attach a recruiter coupon to the new member's application or write the recruiter's name and membership ID in the top right hand corner of the application. Applications and coupons can be obtained from the TPEA State Office. Eligibility is determined by the total number of earned new members as of May 31, 2008. Each recruiter will have the opportunity to be eligible for the Grand Prize drawing along with additional cash incentives for the recruiter and the chapter. The chapter incentive program began on June 1, 2007 and ends on May 31, 2008. A recruiter may only earn up to two entries for the Grand Prize. Every recruiter who recruits at least five new members will receive a TPEA travel mug. The prizes and requirements are as follows:

For the first 5 new members recruited, the recruiter will receive one entry into the Grand Prize drawing. For the first 20 total new members recruited, the recruiter will receive a second entry.
